****Registrations will be held on Bilkent University, Main Campus. All students should be present on campus during registrations with the necessary documents mentioned above. Registration appointment e-mail will be sent through email one week before registration dates.*

Information for the Residence Permit Application

Welcome to Bilkent University!

All international students in Turkey must obtain a student residence permit to stay and study legally in Turkey. Students, who are coming with a visa, should apply for the residence permit before their visa expires. Students coming from a country, whose citizens are exempted from a visa, should check the duration that they are allowed to stay in Turkey without a visa.

You may visit <http://www.mfa.gov.tr/visa-information-for-foreigners.en.mfa> to learn the details about the visa regime of Turkey with your home country.

Office of International Students (located in the Registrar's Office building on main campus) will collect your student residence permit application. Right after you are officially enrolled to Bilkent University, you are required to fill out and sign the online application form for student residence permit at <http://e-ikamet.goc.gov.tr/>. We will share a presentation with you by e-mail, which you can use as a guideline while filling out this online application form. The list of required documents will also be in the presentation.

After filling out the online application form, you should submit the print-out of it together with the required documents to the Office of International Students. We will inform you about when you should submit your form and documents to our office by email.

Office of International Students and Exchange Programs: contact@bilkent.edu.tr

Health Insurance

In accordance with the law and regulations, it is mandatory for all international students to have a health insurance throughout their studies in Turkey. It is also one of the requirements of the residence permit application. After the registration process, you should contact your department as they may already be providing a health insurance for you. You may also contact Bilsigorta, which is a trustworthy insurance company, via info@bilsigorta.com.tr to learn the details of the available health insurance options.
